

Main Street and the Arts
Lincoln Art Center

If your loved one lived in the Post Rock Community, chances are...

- He or she deeply appreciated the area, the many good times, and the close friendships
- Your loved one enjoyed many of the same Main Street attractions and community activities that the Foundation proudly supports

Because of generous donors, the Foundation has been able to grant supporting funds to numerous projects and areas of interest throughout the entire area! Enjoy a few pictures of how these funds have been used.
